

Help Out on State Natural Areas

Council Grounds State Park Workday

Take back the park! We'll be removing invasive bush honeysuckle which has established a population on this site. Honeysuckle is starting to establish itself in pockets of northern Wisconsin so let's keep it in pockets. We'll cut the honeysuckle and treat it with an herbicide to kill it, allowing native plants to return. No experience necessary, we'll teach you.

Date: October 19

Time: 9-noon

Directions: Meet at the Council Grounds Park office. [Google map.](#)

What to wear: Clothes that can get beat up- long pants and sleeves, boots, gloves, safety glasses (we'll have extra).

What to bring: Bug spray, drinking water, loppers (we'll have extra)

Cancellation plan: If there is steady/heavy rain or lightning we'll cancel. If the workday is cancelled due to weather conditions, a message will be left at 608-228-4349 two hours prior to the event. If there is no cancellation message, the workday will continue as scheduled.

RSVP: If you plan to come please let Jared know at jared.urban@wisconsin.gov so we can have enough tools. If you don't get around to notifying please come anyway.
